Mrs. Farmwald takes you through her neighborhood on an exclusive tour traveling the country roads surrounding **Nappanee, IN**. Visit her town filled with friendly people and get to know her neighbors.

Learn about **Nappanee** and let your expert guide take you to dine in an immaculate Amish homestead, explore gas lit country shops, visit an Amish working farm, chat with the family and witness traditional Amish farm life first hand.

Take the road less traveled for an exclusive stop at a one room schoolhouse-a visit arranged by special permission from the Amish teachers. A large brass school bell is the only adornment on the tidy white painted building. Inside plain white wooden desks make neat rows and a large chalkboard fills the front wall. Listening to the teacher talks about a school day's curriculum you can only imagine Amish children busily doing their lessons, it's truly a step back in time.
