### What is the Marquette Neighborhood Commitment?

Marquette Bank is proud to be your neighbor. Each quarter, we focus our efforts on giving back in a different area of need: shelter, hunger, education and health & well-being. From fund-raising to food drives, volunteer activities to scholarship opportunities, we are committed to making our neighborhoods a better place. We not only work in the neighborhoods we serve, we live there too. Through these efforts, we hope to create an even closer relationship with our neighbors and continue to strengthen the neighborhoods we care about so much.

### Marquette Bank sponsors 2nd Annual Running for Hope 5K Run/Walk in Oak Lawn

Over 140 Bank employees and family members participated in the Run/Walk held June 7th. The Bank was the sole presenting sponsor for the event which raised over \$40,000 for the Diabetic Clinic at Advocate Hope Children's Hospital and the Ronald McDonald House® near Advocate Hope Children's Hospital.

## Together we fight hunger. Thank you for your support during our Neighborhood Food Drive

Thank you for making the 2nd Annual Marquette Neighborhood Food Drive a success! In May and June, you helped donate over 58,000 meals to neighborhood food pantries and local food banks. Donations helped support the Greater Chicago Food Depository and the Northern Illinois Food Bank.

Marquette Bank was the only bank sponsor for the 24th Annual Hunger Walk held on June 20th by the Greater Chicago Food Depository.

With over 6,000 walkers, it was their best turnout ever and helped benefit their network of 600 food pantries, soup kitchens and shelters. Thanks to all the Marquette customers who walked or donated.

Special thanks to our Marquette Employee volunteers who took shifts packing food at the Greater Chicago Food Depository and the Northern Illinois Food Bank during our Neighborhood Food Drive.

# Marquette Bank awards scholarships to local high school students

On May 31, 2009, the Marquette Bank Education Foundation awarded 52 scholarships of \$3,500 to graduating seniors from different local high schools. The purpose of the Scholarship Program is to develop the neighborhood leaders of tomorrow. Scholarship recipients were selected by their high school based on outstanding volunteer service, personal financial need and scholastic achievement. Since 1967, over \$2 million in scholarships have been awarded to 1,173 local high school students from Chicagoland neighborhoods.
