What is the Marquette Neighborhood Commitment?

Marquette Bank is proud to be your neighbor. Each quarter, we focus our efforts on giving back in a different area of need: shelter, hunger, education and health/wellness. From fundraising to food drives, volunteer activities to scholarship opportunities, we are committed to making our neighborhoods a better place. We not only work in the communities we serve, we live there too. Through these efforts, we hope to create an even closer relationship with our neighbors and continue to strengthen the neighborhoods we care about so much.

Englewood Food Network

Marquette Bank employees helped clients of Englewood Food Network avoid high fees at currency exchanges. The "New Start" program helps those with less than perfect credit by giving them access to traditional banking services.
