

The best credit & debit card processing for your business.

Looking for an easy way to boost sales, expand your customer base and reduce risk by easing the burden of billing and collections?

It's easy with our wide selection of dependable, Web-based payment processing solutions. Even if your business already accepts credit card payments, our services can make your life even easier. Regardless of the business you're in, accepting credit cards and debit cards is a smart move, especially given today's competitive marketplace.

Let us help your business:

- Accept all major credit and debit cards.
- Issue and accept prepaid cards such as gift, wireless or long distance.
- Perform electronic check conversions and check verifications.
- Enjoy comprehensive online reports and a Merchant Help Desk 24/7.
- Obtain funds in your account within two business days.
- Access wireless handheld solutions.
- Utilize proprietary technologies such as TRANSACTION CENTRAL™, a Web-based centralized payment processing system, and TRANSLINK, a Web-based reporting system.

Smart solutions for business - just another reason to love banking at Marquette Bank.
