

Doing your payroll has never been so easy!

If you are still doing payroll manually, start saving time by using PayCycle's online payroll system. If you are using another payroll system, compare the costs to see how much you can save.

A better way to do payroll

- Online payroll solution that helps you easily manage your payroll.
- Our do-it-with-you approach guides you through the entire payroll process, from setup to paychecks to W-2's.
- Designed for small businesses with 5 to 50 employees.
- You are in complete control over your payroll.

Instant calculations and forms

- Save time with instant paycheck calculations and completed tax forms.
- Export payroll data to accounting software such as QuickBooks® and Microsoft® Money.

Customer support makes it trouble-free

- No charge for customer support.
- Customer support with payroll experts is just a toll-free phone call or email away.

See how effortless payroll can be

- No setup charges, minimum contracts or hidden fees.
- Access PayCycle anytime, anywhere there's an Internet connection whether you use a PC or Mac.
- No software to buy, install or learn.

The New York Times says...

[When it comes to managing payroll]... "There must be a better way. For computer users, there is: PayCycle, a secure online service for small businesses that automates the payroll and tax-reporting process."

The New York Times, February 21, 2006
