

Meet your friendly desktop teller.

Introducing Marquette Bank's Business Remote Deposit.

Make deposits in your business accounts 24/7 without ever leaving your office!

How it works:

- Deposit checks in your business account right at your desk.
- Scan checks into your computer, total them and submit your deposit electronically.
- Funds are available the next business day.
- Deposit checks, money orders and cashier's checks.

Why it's better:

- Eliminate trips to the branch.
- Electronic clearing for next day availability.
- Reduce errors by eliminating manual entries.
- Consolidate deposits from multiple locations in one account.
- Combine with Marquette Online Cash Management for optimum efficiency.

COST PLANS:

- Two pricing options to choose from
- Have fees waived or reduced based on compensating balances

TECHNOLOGY REQUIREMENTS:

- PC with 3.0 GHz Pentium 4 Processor
- 1 GB RAM/40 GB Hard Drive
- Video Resolution of 1024x768
- Network Interface Card
- Broadband Internet Access
- USB 2.0 port
- Microsoft Windows XP with Service Pack 1 or 2
- Bank provided or approved scanner

It's better than having your bank around the corner!
