Learn about home buying the easy way—before you make one of the biggest purchases of your life. Our Homebuyer Education Classes can help you make informed decisions about how much you can afford, help you understand various financing options and what to expect when it's time to close. Bring your spouse, a friend or a relative. By completing this two-part class, participants earn an eight-hour Homebuyer Education Certificate. In addition, some qualified first time homebuyers may be eligible for down payment and closing cost assistance. Eligibility is based on household income and economic need.
