Marquette Bank Adds Three Area Charities to Banking Rewards Program

Customers redeem points for donations to local charities

Orland Park, IL (April 12, 2010) — Marquette Bank, a locally owned-neighborhood bank, recently approved three new charities that customers can donate to using points from the Bank's FunRewards Program. The Port Ministries, South Suburban PADS and Advocate Hope Children's Hospital have been added to the current list of charities which include the Greater Chicago Food Depository, PAWS Chicago, Gilda's Club Chicago and Dreams for Kids. After accumulating points earned through Marquette Bank's FunRewards Program, customers can designate their points to these neighborhood charities. Over the past two years, customers have donated over \$3,700 to local charities through this program. The new charities added to the program were selected based on participation with the Bank through its Marquette Neighborhood Commitment where employees volunteer with local organizations.

"Its great to see customers using our FunRewards program to help give back to the community," said Betty Kosky-Harn, Executive Vice President. "We are proud to have added The Port Ministries, PADS and Advocate Hope Children's Hospital to our list of charities – all groups we have worked with in recent years to help the community."

Launched in 2002, FunRewards is a banking rewards program that allows Marquette Bank customers to earn points for using Bank products and services – the more banking services that are used, the more points customers can earn. Bank customers earn points by making signature debit card purchases, using direct deposit, making online bill payments and setting up automatic payments. They also earn annual points based on how many services they use. In addition to donating points to charities, customers can also choose 15 different gift card options that can be used for shopping, dining, gas or entertainment.
